

Authorization on the platform from a computer

To log in to the platform from a computer, you need [to install the MetaMask wallet](#).

Further:

- go to the [InPOOL website](#)
- click on "Connect MetaMask"
- In the "Connect using MetaMask" pop-up window, click the "Next" button
- in the next window "Connect to Account" click the "Connect" button
- In the signature request window, click "Sign"
- After logging into the platform, the Home page will open by default

To gain access to all the features of the platform, you must fill in the E-mail, Telegram, Country fields on the "Account" tab. Without filling in the required fields, access to projects is limited.
