

Instructions for working with OTS

Listing NFTs for sale

NFT holders have the opportunity to list NFTs for sale.

You can sell NFTs of projects in which you have invested, as well as purchased NFTs.

Listing NFTs for sale in the Projects section on the project details page

For this you need:

1. Go to the Projects tab and find the required project
2. Go to project
3. Click on the NFT button next to the Basic Information field

Alpha

Basic Information

🔗 Condition ⓘ	In work	🔗 Fee price ⓘ	5 %
🔗 Token price ⓘ	0.14	🔗 Listing ⓘ	10.2025
🔗 Token network ⓘ	Test	🔗 Stablecoin ⓘ	USDT
★ IP Type	Business loans	🔗 Network	Binance Smart Chain Testnet
🔗 IP Currency	USD (USD)	★ Invest Strategy	Capital gain
🔗 Vesting ⓘ	test		

4. In the NFT form that opens, click on the **Sell NFT** button

Withdrawal of NFTs from sale

While NFT is on sale, you can withdraw NFT from sale at any time

You can open the NFT withdrawal functionality in the NFT Marketplace section on the Sell tab or on the Projects tab on the project details page.

Withdrawal from sale in the NFT Marketplace section on the Sell tab

1. Click on the image

The screenshot shows the 'NFT Marketplace' section of a web application. On the left is a navigation sidebar with options: Home, Projects, NFT Marketplace (highlighted), My Investors, Tutorial, Support, Account, and Admin. The main content area is titled 'NFT Marketplace' and features a search bar with filters for Price, IP Type, Invest Strategy, Project term, and Currency, along with a 'Clear' button. Below the search bar are tabs for 'Buy NFT', 'My NFTs', and 'On Sale' (which is selected and highlighted with a blue box). Two NFT listings are displayed: 'Test2' with a sunset image, a price of \$477, and a 95.00% discount; and 'Alpha' with a form image, a price of \$1855, and an 18.75% discount.

2. In the NFT form that opens, click on the **Remove from sale** button
